U.S.A VS. MIGUEL TORRES
~~IND. NO 06 MAG 734~~

Dear Judge Bricant:

On September 11, 2007, I am to appear before you for the sentencing of Miguel Torres, the above indicted defendant. I respectfully request a short adjournment until September 20th.

As the whole world knows September 11th is very special day; at the time my office was near ground zero and I have been asked by several of my friends who were in the same location to be with them for a brief morning ceremony.

If date is acceptable to the Court, or any other convenient day for the Court, it would be greatly appreciated.

Respectfully yours,

Antonio Morales, Esq.
